

TransDigm Group Incorporated Announces New Board Member

July 1, 2021

CLEVELAND, July 1, 2021 /PRNewswire/ -- TransDigm Group Incorporated (NYSE: TDG), a leading global designer, producer and supplier of highly engineered aircraft components, announced today the appointment of Jane M. Cronin to its Board of Directors.

Ms. Cronin is Senior Vice President – Corporate Controller of Sherwin Williams Company (NYSE: SHW), a world-leading manufacturer, developer, distributor and seller of paint, coatings, and related products to professional, industrial, aerospace, commercial, and retail customers. Ms. Cronin has served in her current role since 2016. Prior to that, Ms. Cronin was Vice President of Internal Audit and Loss Prevention and Vice President – Controller of one of Sherwin Williams' largest divisions.

"We are pleased that Jane has agreed to become a member of our Board," stated W. Nicholas Howley, TransDigm Group's Executive Chairman. "Jane brings extensive experience in public company accounting, reporting, and controls. Additionally, Jane's integration experience with large and small acquisitions will also make her a valuable contributor. Sherwin Williams has a strong culture of hands-on value creation, which fits well with TransDigm's focus."

The Board of Directors has determined that Ms. Cronin is independent under applicable listing standards of the New York Stock Exchange and the rules and regulations of the Securities Exchange Commission.

About TransDigm Group

TransDigm Group, through its wholly-owned subsidiaries, is a leading global designer, producer and supplier of highly engineered aircraft components for use on nearly all commercial and military aircraft in service today.
