Item 7.01 Regulation FD Disclosure

On October 29, 2010, TransDigm Inc. (the “Company”) and TransDigm Group Incorporated (“Holdings” and together with its subsidiaries, including the Company, “TransDigm Group”) announced that the Company plans to raise approximately \$780.0 million through an issuance of senior subordinated debt in a private placement and to enter into a new senior secured credit facility (the “New Credit Facility”) consisting of an expected \$900.0 million six-year term loan and an expected \$300.0 million five-year revolving credit facility. In conjunction with these financing transactions, the Company expects to repay approximately \$280.0 million of its term loan under its existing senior secured credit facility (the “Existing Credit Facility”) and to repay in full all revolving loans and terminate all revolving commitments under its Existing Credit Facility. The Company expects that \$500.0 million of its term loan under its Existing Credit Facility and \$1,000.0 million of its Existing 7 ³/₄% Senior Subordinated Notes will remain outstanding after the completion of these transactions. These borrowings will only be incurred to complete the acquisition of McKechnie Aerospace Holdings Inc., as discussed below, which is subject to regulatory approvals and customary closing conditions.

The Company intends to use the net proceeds from the issuance of its senior subordinated debt, together with term borrowings under the New Credit Facility, to (1) fund its purchase of McKechnie Aerospace Holdings Inc. pursuant to the Stock Purchase Agreement dated September 25, 2010, by and among McKechnie Holdings LLC, the Company and Holdings (as previously reported in the Current Report on Form 8-K filed by Holdings on September 28, 2010), (2) repay a portion of the term loan under the Existing Credit Facility as described above and (3) pay fees and expenses incurred in connection with the foregoing (the foregoing transactions, together with the issuance of the Company’s senior subordinated debt and the entry into, and the incurrence of the term borrowings under, the New Credit Facility, are collectively referred to as the “Transactions”).

In connection with the New Credit Facility, the Company will make a presentation to its lenders on Wednesday, November 3, 2010 (9:30 a.m. EST registration / 10:00 a.m. EST start).

The information in this Report on Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in filings under the Securities Act of 1933, as amended (the “Securities Act”).

This Report on Form 8-K is not an offer to sell or the solicitation of an offer to buy any securities. Any securities that may be issued in connection with the Transactions will not be registered under the Securities Act or any state securities laws, and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws.
