Item 7.01. Regulation FD Disclosure.***\$750 Million Senior Secured Notes Offering***

On February 9, 2023, TransDigm Group Incorporated (“TransDigm Group”) announced that its wholly-owned subsidiary, TransDigm Inc., is planning, subject to market and other conditions, to offer \$750 million aggregate principal amount of senior secured notes (the “Notes”) pursuant to a confidential offering memorandum in a private placement under Rule 144A and Regulation S of the Securities Act of 1933 (the “Securities Act”). It is expected that the Notes will be guaranteed, with certain exceptions, by TransDigm Group, TransDigm UK Holdings plc and all of TransDigm Inc.’s existing and future U.S. subsidiaries on a senior secured basis.

\$4,825 Million Term Loan Refinancing

In connection with the offering of the Notes, TransDigm Group expects to amend the Second Amended and Restated Credit Agreement, dated as of June 4, 2014 (as amended or modified, the “Credit Agreement”), among TransDigm Inc., TransDigm Group, the subsidiaries of TransDigm Inc. party thereto, the lenders party thereto and Goldman Sachs Bank USA, as administrative agent and collateral agent (as successor to Credit Suisse AG) for the lenders, by entering into an Amendment No. 11, Loan Modification Agreement and Refinancing Facility Agreement (the “Credit Agreement Amendment”), pursuant to which, among other things, TransDigm Inc. will incur up to \$4,825 million of new tranche I term loans (the “New Tranche I Term Loans”) with a maturity date in August 2028 and make certain other amendments to the Credit Agreement. The New Tranche I Term Loans are expected to bear interest at a rate of Adjusted Term SOFR plus an applicable margin to be determined based on market conditions. The closing of the offering of the Notes is conditioned on the closing of the Credit Agreement Amendment. The completion of the Credit Agreement Amendment is subject to market and other conditions and there can be no assurance as to whether or when the Credit Agreement Amendment may be completed, if at all.

Use of Proceeds

TransDigm Group intends to use the net proceeds of the offering of the Notes, together with the net proceeds of the New Tranche I Term Loans and cash on hand, to repay all outstanding tranche E term loans and tranche F term loans under the Credit Agreement and to pay related fees and expenses.

The Notes and related guarantees are being offered only to persons reasonably believed to be qualified institutional buyers in reliance on the exemption from registration set forth in Rule 144A under the Securities Act of 1933 (the “Securities Act”), and outside the United States to non-U.S. persons in reliance on the exemption from registration set forth in Regulation S under the Securities Act. The Notes and the related guarantees have not been (and will not be) registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, applicable state securities or blue sky laws and foreign securities laws.

This Current Report on Form 8-K shall not constitute an offer to sell, or the solicitation of an offer to buy, any securities, nor shall there be any sales of securities mentioned in this Current Report on Form 8-K in any state or foreign jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or foreign jurisdiction.
