Item 7.01. Regulation FD Disclosure.

On April 12, 2021, TransDigm Group Incorporated (“TransDigm Group”) priced the previously announced offering of \$750 million aggregate principal amount of 4.875% Senior Subordinated Notes due 2029 (the “Notes”) by TransDigm Inc., its wholly-owned subsidiary (the “Issuer”). The Notes will be issued at a price of 100.000% of their principal amount. The Notes will be guaranteed, with certain exceptions, by TransDigm Group, TransDigm UK Holdings plc and all of the Issuer’s existing and future U.S. subsidiaries on a senior subordinated basis. The offering of the Notes is expected to close on April 21, 2021, subject to customary closing conditions.

TransDigm Group intends to use the net proceeds from the offering of the Notes, plus cash on hand, to redeem all of the Issuer’s outstanding 6.500% senior subordinated notes due 2025 (the “2025 Notes”), the aggregate principal amount of which is also \$750 million, and to pay related premiums, fees and expenses.

The Issuer will issue a notice of redemption to the holders of the 2025 Notes to provide for the redemption of all of the 2025 Notes outstanding on May 15, 2021 (the “Redemption Date”) at a redemption price of 101.625% of the principal amount thereof, plus accrued and unpaid interest to, but excluding, the Redemption Date.

The Notes and related guarantees are being offered only to persons reasonably believed to be qualified institutional buyers in reliance on the exemption from registration set forth in Rule 144A under the Securities Act of 1933 (the “Securities Act”), and outside the United States to non-U.S. persons in reliance on the exemption from registration set forth in Regulation S under the Securities Act. The Notes and the related guarantees have not been registered under the Securities Act, or the securities laws of any state or other jurisdiction, and may not be offered or sold in the United States without registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, applicable state securities or blue sky laws and foreign securities laws.

This Current Report on Form 8-K shall not constitute an offer to sell, or the solicitation of an offer to buy, any securities, nor shall there be any sales of securities mentioned in this Current Report on Form 8-K in any state or foreign jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or foreign jurisdiction.

The information in this Current Report on Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in filings under the Securities Act.
